| Important Questions | Answers | Why This Matters |
|---|---|--|
| What is the overall deductible ? | \$100/individual; \$250/family | Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan , each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible . |
| Are there services covered before you meet your deductible ? | Yes. In-network preventive care , in-network office visits, and outpatient prescription drugs are covered before you meet your deductible . | This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ . |
| Are there other deductibles for specific services? | No. | You don't have to meet deductibles for specific services. |
| What is the out-of-pocket limit for this plan ? | For medical expenses, In-Network Provider: \$1,000/individual; \$2,500/family, Out-of-Network Provider: \$3,000/person, \$7,500/family. For prescription drug expenses, \$5,500/individual; \$10,450/family. | The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan , they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met. |
| What is not included in the out-of-pocket limit ? | Premiums, balance-billed charges, and services this plan does not cover do not count toward the out-of-pocket limit . | Even though you pay these expenses, they don't count toward the out-of-pocket limit . |
| Will you pay less if you use a network provider ? | Yes. For a list of in-network providers , see www.bluecrossca.com or call the Administrative Office at 1-800-267-3232. For a list of in-network substance abuse providers , call the Administrative Office at 1-800-267-3232. For more information on the Teamsters' Assistance Program ("TAP") visit www.tap-program.org , or call TAP at 510-562-3600 (1-800-253-8326 if outside the SF Bay Area). | This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services. |
| Do you need a referral to see a specialist ? | No. | You can see the specialist you choose without a referral . |

All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
