**PLAN CHANGE NOTICE
Summary of Material Modifications**

TO ALL PLAN PARTICIPANTS, DEPENDENTS and COBRA PARTICIPANTS:

This notice concerns two important changes in your health plan coverage.

UPDATE: *Am I Covered If Covid-19 Forces Me To Leave Work?*

In prior notices we have said you will remain eligible for coverage for an additional month after employer-paid coverage ends WITHOUT PAYMENT OF THE COBRA PREMIUM if you lost your coverage because:

- You are laid off as a result of the COVID-19 “shelter in place” business closures;
- You have to leave work because of a COVID-19 caused quarantine;
- You have to leave work because of the closure of your child’s daycare or school;
- You got sick and are told to stay home from work; or
- Any other reason.

The Board of Trustees has extended that one – NO PAYMENT -- month of extended coverage so you can now use it for the first ineligible month between May and September 2020 provided, (1) you had active employer-paid coverage the prior month AND (2) you have not already used the one-month extension.

You can use this month of extended coverage only once. This means if you were ineligible under the Plan eligibility rules for July and received the extended coverage without payment for July, you have to pay the COBRA premium to remain eligible after July. You were given one month of extended coverage for August 2020.

If any conflict should arise between this summary and the Plan, or if any point is not discussed in this SMM or is only partially discussed, the terms of the Plan will govern in all cases.
